BLANCO COUNTY ORDER TO STAY AT HOME

WHEREAS, on March 13, 2020, Governor Greg Abbott declared a state of disaster due to COVID-19; and

WHEREAS, on March 16, 2020, the CDC lowered the recommended number of persons at mass gatherings to 10 persons; and

WHEREAS, on March 19, 2020, Texas Governor Greg Abbott issued orders, prohibiting social gatherings in excess of 10 people; and

WHEREAS, because of the risk of the rapid spread of the virus, the need to protect the most vulnerable members of the community, the intent to ensure that the maximum number of people self-isolate in their places of residence to the maximum extent feasible, while enabling essential services to continue, and the desire to slow the spread of COVID-19 to the maximum extent possible, this Order is required; and

WHEREAS, this Order is issued based on evidence of increasing occurrence of COVID-19 within Blanco County and throughout the Central Texas area, scientific evidence and best practices regarding the most effective approaches to slow the transmission of communicable diseases generally and COVID-19 specifically, and evidence that the age, condition, and health of a significant portion of the population of Blanco County places it at risk for serious health complications, including death, from COVID-19; and

WHEREAS, because even people without symptoms can transmit the disease, and because evidence shows the disease is easily spread, gatherings can result in preventable transmission of the virus; and

WHEREAS, the scientific evidence shows that at this stage of the emergency, it is essential to slow virus transmission as much as possible to protect the most vulnerable and to prevent the health care system from being overwhelmed. One proven way to slow the transmission is to limit interactions among people to the greatest extent practicable. By reducing the spread of the COVID-19 virus, this Order helps preserve critical and limited healthcare capacity in Blanco County; and

WHEREAS, Mayor Rhonda Stell, City of Johnson City, and Mayor Martha Herden, City of Blanco, both support this action; and

WHEREAS, the designated and appointed Local Health Authority for Blanco County concurs with this order; and

WHEREAS, a declaration of local disaster and public health emergency includes the ability to reduce the possibility of exposure to disease, control the risk, promote health, compel persons to undergo additional health measures that prevent or control the spread of disease, including isolation, surveillance, quarantine, or placement of persons under public health observation; and

WHEREAS, extraordinary and immediate measures must be taken to respond quickly to prevent and slow down community spread of COVID-19.

NOW, THEREFORE PURSUANT TO AND IN ACCORDANCE WITH THE TEXAS DISASTER ACT OF TEXAS GOVERNMENT CODE CHAPTER 418, AND THE AUTHORIZATION BY THE BLANCO COUNTY COMMISSIONERS COURT ON MARCH, 24, 2020, BE IT ORDERED BY THE COUNTY JUDGE OF BLANCO COUNTY, TEXAS THAT:

SECTION 1. The findings and recitations set out in the preamble to this **Stay in Place Order** are found to be true and correct and they are hereby adopted by the Blanco County Judge and made a part hereof for all purposes.

SECTION 2. This **Stay in Place Order** augments and supplements any prior Order(s) issued by Blanco County Judge Brett Bray under the Disaster Declaration dated March 18, 2020 and ratified by the Blanco County Commissioners Court on March 24, 2020.

SECTION 3. The intent of this **Stay in Place Order** is to ensure that the maximum number of people remain in their places of residence, while enabling essential services to continue. Am I allowed to leave my home while this Stay in Place Order is in effect?

The intent of this Stay in Place Order is to ensure that people remain in their Residences and minimize social interactions outside of their immediate family unit. However, you may leave your Residence for reasons specified in the Stay in Place Order. These "Essential Activities" include ensuring the health and safety of yourself and your family, engaging in outdoor activity that does not involve close contact with other people, obtaining services and supplies for yourself and your family, and performing employment functions that are permissible under the Stay in Place Order.

No, this is not an "Essential Activity.". For your safety as well as other's safety, we need to help each other fight the spread of COVID-19 by staying at home.

Can I leave home to care for my elderly parents or friends who require assistance to care for themselves, or a friend or family member who has disabilities?

Yes, but you must follow all health and safety guidelines such as washing hands, using hand sanitizer, maintaining at least six feet of distance when possible, and coughing or sneezing into a tissue. Please note that this activity should be limited to essential care only.

Will all business offices and stores be required to close? What are "Essential Businesses"?

"Essential Businesses" may stay open and their employees may leave home to go to work. Please refer to Section 10 for a description of "Essential Businesses."

What if my business IS NOT considered an Essential Business?

Your employees can work from home if their jobs are ones that can be performed remotely. Non-essential businesses may still conduct "Minimum Basic Operations," as defined in Section 10(h) of the Stay in Place Order.

Can I leave home to go to my church, synagogue, or mosque?

Maybe. However, places of worship should offer remote access to services, such as by emails, video streaming, or teleconference. They may otherwise conduct service so long as they comply with the Governor's orders which include the Presidential guidelines.

If my child's school is providing food or meals, can I leave home to go to the school to pick up the food or meals?

Yes.
